## Whitewater Kayak / Canoe Instruction

6 Days / 5 Nights

*The Madawaska River rushes past with Class I-III rapids. You've chosen your boat, either a canoe or kayak, and are ready to read the river and push off into the currents. Your passionate and experienced guides have imparted the skills and confidence to navigate this route. Now it is just you and the river, your newfound abilities brought to life in this natural environment. After each adventurous day, rest easy with like-minded travellers at a serene wilderness resort. This is a true Canadian experience!*

### ITINERARY:

Arrive at Madawaska Kanu Centre, this will be your base for the next five nights. Set in a tranquil forest location along the Madawaska River. Your first meal will be breakfast on day 2 until dinner on day 6. Meals are served in our dining room or outside on the patio.

Your five day Canadian Signature Experience is an active adventure and will immerse you in the world of whitewater canoeing or kayaking. This instructional program is the first of its kind, renowned the world over, and led by internationally certified instructors who are invested in teaching you the 'language of the river'.

On the final day of your course, you will head out on a full- day river trip, allowing you to use your new skills on a different river and finish your active vacation with a healthy dose of adventure.
