

# Rafting the Ottawa River

**OWL RAFTING**  
ON THE OTTAWA RIVER

*40+ years of rafting experience*

*400 years of Voyageur heritage*

*6 hours of river adventure*

Northwest of the Nation's Capital, the Ottawa River surges across Canadian Shield country. This is a travel-path forged by First Nations, traversed by fur traders since the 1600s and fostered by foresters at the turn of the last century. Today you've come for whitewater adventure—and a daylong rafting experience through the dynamic Rocher Fendu Rapids awaits. With experienced and passionate guides at the helm, you'll splash and roll through one of the world's great whitewater routes—a high-volume, temperate and dynamic waterway that merges exhilaration with natural serenity, and history with heart-pounding adventure.

Following a gentler guided Soft Adventure trip or an adrenaline-surgingly active paddling Medium or High Adventure trip on the Ottawa River's most rough-and-tumble rapids, relax and reflect aboard OWL's Pontoon Boat, enjoying a freshly grilled meal—it's an idyllic wind-down to a memorable day in one of Canada's greatest whitewater playgrounds.

The family owned wilderness resort offers visitors a taste of adventure on the mighty Ottawa River. For first-timers or experienced paddlers, the thrill of whitewater adventure is fun and accessible. A true Canadian Experience.
