## Overview

MKC is a world-renowned whitewater school and outdoor resort. Located in a wilderness setting alongside the Madawaska River, the European-style resort offers weekend and 5-Day paddling courses. Our reputation for unique, healthy & homemade meals has almost surpassed the paddling. MKC has been given the FeastON culinary tourism designation, celebrating that we serve more than 25% locally-sourced produce. This is why a dedicated kitchen team with a love for food is very important to us!

## Some points about our set up

The MKC Kitchen Team consists of a team of 4 or 5 people, including the manager (you!)

We serve 3 meals per day, plus a snack at 4pm

We follow a 7-day Menu rotation, supported by our own Menu Guide

MKC serves up to 70 meals per sitting - buffet style

Our guests are active and appreciate hearty, healthy, flavourful meals with generous portions

Our Riverside Café is staffed by the Office team, with the café treats prepared by the Kitchen

## Responsibilities

Ensuring a clean and safe work environment

Supporting and scheduling your team

Managing the quality and punctuality of the 3 meals and 1 snack

Ordering food and tracking inventory

Facilitating weekly kitchen meetings, and attending weekly manager meetings

## Skills & Assets

The person best suited for this position is someone who enjoys working with people, has cooking and serving experience, and is able to rise as a leader with good organizational skills.

Interest in the outdoors and whitewater paddling is also valued, as this is an added benefit of the position.

No formal education as a chef required. A passion for food is a must!
